Alfa Romeo entered the 2020 season with an unchanged driver lineup. In January 2020 the team announced that they would enter a title sponsorship arrangement with Polish oil company PKN Orlen and that Robert Kubica would join as a reserve driver. Alfa Romeo Racing would remain as the team's name after Sauber and Alfa Romeo had reached an agreement.

The springs on your vehicle react to bumps, ruts and other road irregularities, cushioning the impact. Struts and shocks control spring movement, isolating the cabin from vibration, preventing excessive body movement and keeping the tire tread in contact with the road, for optimal traction and control.
