AP Biology Exam - AP Central | College Board
Those who have taken the ap biology exam (2013) what did you think about the multiple choice and free responses? hard or easy? Cause on the free response I didn't get it because of time and I knew that I really messed up on question #2 cause I stupidly forgot that plants are green because they absorb wavelengths opposite of the color green.

AP Biology Exam - Science - Google Sites
Here's an example of a long free-response question you might see on the AP Biology exam: That's one long question! Now, this AP Bio question is worth a total of 8-10 points (the AP Biology Exam Description doesn't specify exactly how much this particular sample question is worth). As you can see, there are four distinct parts: A, B, C, and D. Each part asks you to do something different and is worth a certain number of points:
