Nobody likes a smart aleck! Beryl and Nigel get together again six years after their college graduation and resume their word-slinging ways. One is a country pastor and the other is president of a small Christian college. Beryl is suffering the boredom of not having enough to do in his small village church. Nigel is challenged by colorful faculty members with questionable doctrinal positions, a micromanaging board, and a property developer who wants to buy the campus out from under the school. Beryl is persuaded to take classes in Nigel's seminary as a way to isolate some of the problems. They also enlist Beryl's father Daryl, a wealthy real estate developer and businessman, to track down some of the irregularities in the management of the school. Beryl's life is complicated by the need to manage both his class work and his pastorate. After being smitten by Nigel's blonde secretary, the resulting tumultuous relationship distracts everyone. Even after Daryl, Nigel and Beryl remove the board chairman, the tension rapidly builds to a series of events which threaten the lives of the three main characters.

The second book in The Outlaw Preacher series finds James, aka Nine Ball facing intense spiritual and physical warfare from page one! There is no grace period from Outlaw to Evangelist and the enemy is a sore loser. The preacher is the target and the collateral damage begins immediately. This is hard core evangelism and it's not for the closet Christian or mamby pamby wishy washy, it's for contemporary warriors who recognize that we've been called to fight evil in our world. The Outlaw Preacher is a rough character who lives and loves at high speed. You will either love or hate this guy, but you cannot deny his love for the Lord or his woman, nor his devotion to his club.

In the middle of the night Garrett is taken from his home to Harmony Lake, a boot camp for troubled teens. Maybe some kids deserve to be sent there, but Garrett knows he doesn't. Subjected to brutal physical and psychological abuse, he tries to fight back, but the battle is futile. He won't be allowed to leave until he's admitted his "mistakes" and conformed to Harmony Lake's standards of behavior. And there's no way to fake it. Beaten, humiliated, and stripped of his pride, Garrett's spirit is slowly ebbing away. Then he hears whispers of an escape plot. It's incredibly risky -- if he's caught, the consequences will be unthinkable -- but it may be his only way out. In this tense, riveting novel, award-winning YA author Todd Strasser reveals what really goes on in highly secretive -- and notoriously dangerous -- boot camps, a stealth prison system where any teenager under the age of eighteen can be imprisoned at his parents' whim.
