Since this run of cars is so comprehensive, and so many changes were made over models, we will focus on the most popular 2003-2007 9-3 with the 2.0 engine. Many of these will still translate; however, there are some differences in later facelifted cars, as well as vehicles equipped with the V6 engine. So now that you have the rundown of the car itself, here's a list of common failure points to ...
