ENGINE SERIES. Continental® introduced the first 520 series engine to the world in the Beechcraft® Bonanza and the Cessna® Centurion in 1964. The 520 series includes 520 in 3 models in either naturally aspirated or turbocharged configurations. With the right combination of thrust and efficiency, our 520-series engines have powered some of the most successful aircraft in general aviation history and continues to deliver reliability and value to its owners.

CONTINENTAL IO-520 Aircraft Piston Engine For Sale ...

The FAA feels that the airworthiness concern with Continental IO-520 and IO-550 series engines doesn't warrant an airworthiness directive at this time. The FAA has issued SAIB NE-17-11 (Special Airworthiness Information Bulletin) to inform airplane owners/operators, and certificated repair shops of available service instructions for identifying the causes of an engine kickback, and the recommended engine inspections after a kickback event, in airplanes equipped with certain Continental ...
