Electric Cables Handbook: Amazon.co.uk: BICC Cables Ltd ...

Site History: The BICC facility, in operation since 1886, manufactured high voltage cables until 1996. The property was expanded into the Hudson River using fill material from 1940 to 1976. The Electric Research Power Institute (EPRI) Building, a 29,700 square feet building was constructed on the fill material and is the only remaining structure.
