Hitachi PH401 Specs - CNET

After extensive research, I decided on the Hitachi 42" Plasma. Hitachi is the leader in Plasma televisions, and they show why in this set. The set gives you a 1080i signal (won't get into that), and at the time, the set was on sale for less than the Panasonic and Samsung TVs that I was comparing to.

### Plasma TVs Suck (Electricity) - Treehugger

How to reset the Hitachi plasma TV? To reset the Hitachi TV, unplug the power cords from the wall for three minutes approximately. Next, press and hold the power button on the TV (not the remote) for 10 seconds and then release. Plug in the Hitachi plasma set to complete the reset. Also, ensure the power cord is connected tightly at the TV as well.
