And it is not terrible as a

interesting happens.

Merrick is kept too

The Vampire Chronicles  
is a series of novels and a  
media franchise created

by American writer Anne  
Rice that revolves around  
the fictional character

Lestat de Lioncourt, a  
French nobleman turned  
into a vampire in the 18th  
century. Rice said in a  
2008 interview that her  
vampires were a  
"metaphor for lost souls".
