Pioneers In Psychology

This book presents biographical portraits of 22 of psychology's pioneers, portraits of them as men and women as well as scientists. All of these portraits, many of them offered by a descendant, colleague, or student of the pioneer, are informal. Most of them are lighthearted, even humorous, in their approach. A few are intimate and personal.

Portraits of Pioneers in Psychology

Portraits of Pioneers In Psychology. The seven-volume series, Portraits of Pioneers In Psychology, was published under the

All of the portraits are informal; on occasion, even humorous. Some are "impersonations"--telling stories in what were or might have been the pioneer's own words. This book provides source materials for teachers of undergraduate courses in psychology--particularly the history of psychology--who want to add a personal view in their lectures and offer interesting readings for their students.
