Procedures describe how a policy will be actioned within the school. Procedures tend to outline who will do what, the steps they need to take, and the forms or documents they should use to record it. Sometimes a procedure might be a list or some bullet points; sometimes it might take the form of a check-list or a flow chart. Policies and procedures both list the purpose and aims of the document, and the

List of School Policies - Policies for Schools
Private school operators set their own policies and procedures regarding the operation of their schools, and are not obliged to comply with the policies and procedures that school boards must follow. For example: Private schools are not required to use the Ontario curriculum unless they are seeking authority to grant credits toward the OSSD.

Private Schools Policy and Procedures Manual
School policies and procedures are essentially the governing documents by which your school district and school buildings are operated. It is essential that your policies and procedures be current and up-to-date. These should be reviewed and revised as necessary, and new policies and procedures should be written as needed.

Writing Effective School Policy and Procedures
