## Teach Lesson Plan Manual For Massage Therapy

A lesson plan is a framework for a lesson. If you imagine that a lesson is like a journey, then the lesson plan is the map. It shows where you start, where you finish and the route to take to get there. Lesson plans are the product of teachers' thoughts about their classes; what they hope to achieve and how they hope to achieve it.

## Action Plan for Teachers - Teaching English

Teachers should use this manual as support material. Some of the examples could be used as they are, while others could serve as a guideline for teachers to design and develop their own ideas. Teachers need to be creative and innovative in their planning. This manual does not replace any previous document and teachers will still need
