The Autopsy Medical Practice and Public Policy presents the history of autopsy. It discusses its contributions to the theory and practice of medicine. It addresses the decline

Where To Download The

of interests in the field and its rediscovery. It also explains the cause of death, a view of the depredations of disease, and insights into etiology.

The Autopsy—Medical Practice and Public Policy - 1st Edition

An autopsy is a postmortem

Where To Download The

assessment or examination of a body to determine the cause of death. An autopsy is performed by a physician trained in pathology.
