The Underground History of American Education 1346. Chris Acheson writes "John Taylor Gatto is a former New York City school teacher. During his 30-year career, he has taught at 5 different public schools, has had his teaching license suspended twice for insubordination, and was once covertly terminated while on medical leave.

The Underground History of American Education - Slashdot
The secret of American schooling is that it doesn't teach the way children learn and it isn't supposed to. It took seven years of reading and reflection to finally figure out that mass schooling of the young by force was a creation of the four great coal powers of the nineteenth century. Nearly one hundred years later, on April 11, 1933, Max
