Uniden is a Japanese company well-known in the wireless communication industry. Other than CB radios, their product range includes baby monitors, dashcams, phones, and home security and surveillance devices. The Uniden PRO501HH is a relatively larger handheld CB radio that comes in another rugged matte black finish.

### 7 Best Handheld CB Radios of 2021- Portable CB Radio Reviews

Two features you might miss, however, are an answering machine and backup power. Though landline phones can work during a power outage, this model does not have a backup battery that allows the base to transmit calls to the cordless receiver. The VTech handset is on the small side and feels a bit more like a remote than a phone.
